

ASSOCIATION OF CRAFT BREWERIES (KSE) 2151 Fót, Fáy sétány 34.

Fót, 15th January 2019.

INVITATION

KSE XIII. International Beer Competition and Beer Muster

Szent István University, Museum of Agricultural Equipment and Machinery
Development
Gödöllő
10-13. April 2019

Dear Brewers, dear Colleagues, dear Friends,

for more than two decades the Association of Craft Breweries has been organising its high prestigious beer competition in every two years. Based on the international feedback of the KSE's beer competition and the offer of craft and home breweries we decided to organise the event on a yearly bases.

The significant Beer Competition and Beer Muster in 2018 was a unique experiment to actively involve the public in a professional program.

The purpose of organising this event is to present our ever expanding supply and the novelties to those who are interested in the beer, and to give them professional knowledge how to taste the products of the brewers.

The competition will be held between 10-11. April 2019

Let us continue together this tradition by competing our products and by presenting them for tasting to each other and to the public.

We are looking forward to your participation. Please kindly submit your application by filling the attached documents.

Yours sincerely,

Gyenge Zsolt
President
